I firmly believe these special collections are the most outstanding bargains that have ever been offered. They are sent to you carefully named and labelled. All varieties are so vastly different, one from the other, that they will in no way even resemble each other. This is a most unusual opportunity.

Only the Most Outstanding Varieties of Peonies Included

Varieties that have sold as high as \$25.00 each will be in this collection which as well as a choice Japanese variety to add spice and beauty, and as a further inducement each collection will contain, FREE, the peony, Richard Carvel.

Richard Carvel. This high rated, magnificent variety which has more enthusiastic admirers than any red variety I know of. It is very early flowering, right after the old fashioned red "Piney" of our Grandmother's garden. It is flaming crimson red, of large size and in addition to its beauty has the fragrance of a lovely rose.

Included FREE with each \$2.00 Peony Collection

From my collection of over 400 varieties of Peonies, I have selected these outstanding, beautiful varieties. Order one or all and you will not be disappointed. You will marvel at their beauty. Full planting instructions with every shipment.

6 ORIENTAL POPPIES

\$2 for only 2 PREPAID

Shipped in August P. P. Prepaid

Oriental Poppies are perfectly hardy and what a mass of blazing color they present. When cutting the blooms it is customary to sear the ends of the stems as soon as they are cut. This will cause the bloom to last much longer. This is a rare bargain for you and a fine opportunity to get good varieties named and labelled. If you have a very choice spot in your garden, be sure that you order one or more of these remarkable collections. Don't let my low price imply to you that these varieties are secondary, or that they are in mixtures. Here I offer 6 of them to you, properly named and labelled for only \$2 prepaid.
